

Dear Griffith Families

As you know, a student needs to make sure they are eating well in order for them to focus on their school work. Therefore, as we have in the past, we will continue to provide breakfast and lunch opportunities to all of our students during the 4 weeks of the virtual learning process. If your child(ren) are enrolled in Griffith Public School's virtual option you will have the following opportunities for meals.

Meals will be picked up on Mondays and Wednesdays at your child's home school and will consist of 3 breakfasts and 3 lunches on Mondays and 2 breakfast and 2 lunches on Wednesday.

The price for the meals will be charged at your child's eligibility rate.

-If your student receives **free** meals there will be no charge.

-If your student receives **reduced** meals your student's breakfast will cost \$.30 per meal and lunch will cost \$.40 per meal.

-If your student is a full **pay** student, breakfast will cost \$1.50 per meal and lunch \$2.40 for elementary and \$2.50 for M/HS per meal.

Your child must have funds in their lunch account in advance.

Meals will be a take and bake variety. Some may need to be cooked and others will be ready to eat.
