

Dear Parents/Guardians,

Thank you for choosing the Griffith Family YMCA School Age Program. Since 1844, the Y has been a trusted organization for everyone and since the 1980's, the Y has been a leader in child care in the United States. The Y is one of the nation's leading nonprofits strengthening communities through youth development, healthy living and social responsibility. Across the U.S., 2,700 Ys engage 22 million men, women and children – regardless of age, income or background – to nurture the potential of children and teens, improve the nation's health and well-being, and provide opportunities to give back and support neighbors. Anchored in more than 10,000 communities, the Y has the long-standing relationships and physical presence not just to promise, but to deliver lasting personal and social change.

As a nonprofit organization focusing on strengthening communities, we are very excited to be providing this service to the Griffith Community. Our goal is to help your children to learn, grow and thrive. You can be sure that they will receive physical activity—in the form of games and sports, education—through homework time and nutrition education, social skills—through themes such as bullying, and much more in a fun, safe environment. Rest assured that the staff leading your children have child care experience, completed background checks and received trainings including CPR, First Aid, AED, Child Abuse Recognition and Prevention, among many others.

Your child may be dropped off as early as 6:00am in the childcare area. They will then be dismissed to busses to leave for school by staff. At the end of the day, the children will arrive back at the Y. We will stay open until 6:30pm, Monday through Friday for you to pick your children up. If there are changes that need to be made (i.e. your child is sick and has been picked up from school), you can contact Membership & Youth Services Director Sasha Cano at scano@crymca.org or call us at 219 750 1082.

We hope that you and your child's experiences are a positive one here at the Y. If you have any questions, comments or concerns, please feel free to notify us.

Respectfully,

Sasha Cano
Membership & Youth Services Director

PROGRAM POLICIES

ACCIDENT/INJURY

Any injury a child receives while in the care of Y staff will be documented in writing and followed by a contact to the parent/guardian in regards to incident.

BEHAVIORAL MANAGEMENT

Our staff will set limits for your child that will encourage responsibility, respect, honesty and caring. We believe that all children are capable of listening, following directions and respecting others. The rules we set and disciplinary measures that we take are for the maintenance of safe order in groups. The following list is a brief statement of our discipline policy:

- 1) No child shall be insulted, belittled, demeaned or embarrassed. When possible, children will be called from the group and spoken to quietly and directly.
- 2) No child shall be physically disciplined by staff. However, a child may be restrained (if needed) for safety purposes.
- 3) Exclusion from participation (Time Out), when used as discipline, shall not exceed ten minutes at any time. Punishments will fit the inappropriate behavior.

BEHAVIORAL WRITE-UPS:

The following offenses will result in an immediate behavioral write-up from the YMCA include but are not limited to:

- 1. General unwillingness to obey staff or staff requests.
- 2. Any violent behavior with the intent to harm another staff member or child.
- 3. Intentional spreading of bodily fluid.
- 4. Biting
- 5. Offensive/Inappropriate Language

Upon receiving a behavior write-up, parents will be notified and may be required to pick up their child immediately. After receiving three behavioral write-ups in a program year, the child will be suspended from the program for 3 days. Any behavioral write-up received upon returning from a suspension may result in removal from the program.

CHILD ABUSE

The YMCA takes the importance of the protection and safety of the children involved in its programs very seriously. Child abuse is a special concern of the Y, because of the organizations role in promoting the personal growth and development of children and families. The YMCA will document any incident of abuse in writing and report in accordance with relevant state or local child abuse reporting requirements and will cooperate to the extent of the law with any legal authority involved. The YMCA will not release a child to a parent or any authorized person who appears to be under the influence of drugs or alcohol.

ELECTRONICS POLICY

Parents who wish that their child use a personally owned digital device within Crossroads YMCA Branches and remote sites must read and sign this agreement and submit it to the YMCA with registration paperwork. The student takes full responsibility for his or her device and to keep their device safe at all times. The YMCA is not responsible for the security of the device. The student is responsible for the proper care of their personal device, including any costs of repair, replacement or any modifications needed to use the device at the YMCA. Violations of any YMCA policies or procedures involving a student's personally owned digital device may result in the loss of privilege to use the device in the YMCA and may result in disciplinary action. Full policy and agreement is attached to this registration paperwork.

HOURS

Childcare services are available Before- from 6-8:00am and After- 6:30pm. There is an additional fee of \$1 for every minute a child is present past 6:30pm.

ILLNESS POLICY

Children are not authorized to attend Y programming if they have an illness or other contagious symptoms. Once given authorization from a supervisor, staff will have the right to request a doctor's note before a child may return to the Y. Please notify staff immediately if your child displays any symptoms of any communicable diseases or contagious conditions. In order for your child to be allowed to return to the program after being ill, your child must be fever/symptom free for at least 72 hours without medication.

MEDICATION POLICY

The only medications we are authorized to distribute are inhalers and epi-pens with proper documents.

OUTSTANDING BALANCES

All outstanding balances must be paid before any childcare services will be provided.

PERSONAL BELONGINGS

Please leave all toys and any other valuables at home. We will follow a schedule of structured activities each day and will not allow children to play with items from home during this time. Anything brought to the Y from home must remain inside your child's back pack. The Y and its staff will not hold or take responsibility for a child's money. The Y and its staff will not be held responsible for any items brought from home that are lost, stolen or broken.

RATIOS

The ratio of staff to children for YMCA childcare programing is 1 staff member to every 15 children. To ensure the safety and proper supervision of all children in our care, children who frequently display behaviors that require staff to deviate from these ratios may be required to be accompanied by a caregiver to remain in the program. While we strive to provide what every child needs to succeed in-group care, we do not have the resources to implement or sustain a plan for managing all behaviors. It is a disservice to maintain a child in our program if we cannot meet the child's individual needs, while maintaining a safe and productive environment for children and staff.

SIGN IN / SIGN OUT

We require that an adult over the age of 18 to accompany each child to the drop off/pick up. Upon pick up parents and any other specified adults on each child's pick up list will be required to show a photo I.D. Anyone who is not listed on your child's pick up list or fails to produce proper identification will not be allowed to leave the building with your child.

ELECTRONIC USE POLICY FOR CROSSROADS YMCA

Parents who wish that their child use a personally owned digital device within Crossroads YMCA branches and remote sites must read and sign this agreement and submit it to the YMCA with registration paperwork.

The student takes full responsibility for his or her device and to keep their device safe at all times. The YMCA is not responsible for the security of the device. The student is responsible for the proper care of their personal device, including any costs of repair, replacement or any modifications needed to use the device at the YMCA. Violations of any YMCA policies or procedures involving a student's personally owned digital device may result in the loss of privilege to use the device in the YMCA and may result in disciplinary action. The student must comply with a staff member's request to stop using, shut down, or close the screen of the personal device when asked. Students are not permitted to use any electronic device to record audio or video media or capture still images of any student or staff member without their permission. The distribution of any such unauthorized media may result in discipline including but not limited to suspension, criminal charges, and expulsion. Nor can any images or audio/video recorded at the YMCA be transmitted or posted at any time without the express permission of a staff member. The student should only use their device to access information for educational purposes. The student will use the YMCA's wireless network while on the school campus. Student personally owned digital devices and content including messages and digital photos, may be searched by the staff of the YMCA under limited circumstances. Specifically, staff may search student personally owned devices including accessing and reading of their messages and digital images, if the staff (1) have reasonable suspicion, based on objective and articulable facts, that the search will provide evidence that the particular student was violating either the law or a YMCA rule; and (2) the scope of the search is reasonably related to the objectives of the search and not excessively intrusive in light of the nature of the infraction.

DETACH AND RETURN TO THE YMCA. RETAIN THE INFORMATION ABOVE. Child's Name: Parent or Guardian's Name: I give my consent for my child to use a personally owned digital device. GUIDANCE

Disability:

USDA requires substitutions or modifications in CACFP meals for participants whose disabilities restrict their diets. The definition of the term "disability" has broadened and nearly all physical and mental impairments constitute a disability.

Section 504 of the Rehabilitation Act, the Americans with Disabilities Act, and Departmental Regulations at 7 CFR Part 15b define a person with a disability as any person who has a physical or mental impairment which substantially limits one or more "major life activities," has a record of such impairment, or is regarded as having such impairment. (See 29 USC § 705(9)(b); 42 USC § 12101; and 7 CFR 15b.3.) "Major life activities" are broadly defined and include, but are not limited to, caring for oneself, performing manual tasks, seeing, hearing, eating, sleeping, walking, standing, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, communicating, and working. "Major life activities" also include the operation of a major bodily function, including but not limited to, functions of the immune system, normal cell growth, digestive, bowel, bladder, neurological, brain, respiratory, circulatory, endocrine, and reproductive functions. (See 29 USC § 705(9)(b) and 42 USC § 12101.)

A physical or mental impairment does not need to be life threatening to constitute a disability. It is enough that the impairment limits a major life activity. Further, an impairment may be covered as a disability even if medication, or another mitigating measure, may reduce the impact of the impairment.

Forms or medical statements for disabilities must be signed by a licensed physician, physician's assistant or nurse practitioner and must identify: the child's medical condition; an explanation of why the disability restricts the child's diet; the major life activity affected by the disability; the food or foods to be omitted from the child's diet, and the food or choice of foods that must be substituted.

Special Dietary Needs That Are Not a Medical Condition:

Food service may make food substitutions for reimbursable meals, at their discretion, for individual children who do not have a disability/medical condition, but who have special dietary needs for other reasons such as religious, cultural, or other preferences when such substitutions meet the meal pattern. CACFP participating organizations are encouraged to accommodate reasonable requests, but are not required to do so. For these requests, the form may be signed by a parent/guardian/adult participant.

The form should include: an identification of the special dietary need that restricts the diet; the food or foods to be omitted; and the food or choice of foods to be substituted.
