Dear GHS Alumni,

We are reaching out to Griffith alumni in an effort to expand our membership. Please assist us at any contribution level with which you are comfortable. And, as a reminder, 100% of your donation is used for classroom grants, staff development or scholarships.

Since our establishment in 1984, the Griffith Public Schools Educational Foundation has been able to finance programs promoting excellence in our students' education. Through our grant program, we have furnished over 1150 grants totaling more than \$450,000.00! Our students and staff have found these programs to be both exciting and informative. We need your ongoing support in order to continue to provide them with these experiences.

With your donation, we can expand our efforts in affording our teachers even more opportunities to receive grants that improve teaching skills. We know that teachers with up-to-date knowledge of teaching techniques and learning styles will provide even finer instruction for our children. Your contribution can be designated toward either of our two funds, *Grant & Staff Development*, or the *Griffith Public Schools Alumni and Friends Scholarship* or may be divided among them. And contributions to the Griffith Public Schools Educational Foundation are 100% tax-deductible.

As a contributor to the Foundation, you will be invited to attend the 2015 Annual Foundation Luncheon held in late spring.

The Board of Directors appreciates your generosity and thanks you in advance for your support, which is the backbone of the Griffith Public Schools Educational Foundation.

Sincerely,

*Griffith Public Schools Educational Foundation Members*
