Yearbook Senior Personals

ATTENTION PARENTS OF SENIORS

It's that time of year where Griffith High School yearbook *Reflector* contacts all parents/guardians of senior students about purchasing Senior Personals. Senior Personals are a chance for parents and other relatives to say goodbye to students leaving high school and an opportunity to congratulate them on their achievements in high school. It's simple and a memory they will have for a lifetime. Just fill out the bottom portion and mail to:
