- A. An administrator who leaves the Griffith Public Schools with ten (10) or more years of service and is not terminated for cause shall receive severance pay in accordance with the schedule below. At the time of severance any unused personal business days will be added to the accrued sick leave. For the purpose of this calculation the term "years of experience" is defined to include all years credited to an individual's Indiana Teacher Retirement Fund (TRF) account or Public Employees Retirement Fund (PERF).

10-14 years of experience – 10 percent of the accumulated unused sick leave days (maximum 10 days of severance pay)

15-19 years of experience - 15 percent of the accumulated unused sick leave days (maximum 21 days of severance pay)

20-24 years of experience - 25 percent of the accumulated unused sick leave days (maximum 31 days of severance pay)

25-29 years of experience - 50 percent of the accumulated unused sick leave days (maximum 52 days of severance pay)

30 or more years of experience - 100 percent of the accumulated unused sick leave days (maximum 76 days of severance pay)

Such pay will be calculated on the basis of the person's salary during his/her last contracted

school year.

After days are deducted for severance pay award, the remaining accumulated sick days will be purchased by the school employer at a rate of \$50.00 per day. This sum will be paid to the administrator within one year after the effective date of said administrators severance from the Griffith Public Schools.

- B. Upon the death of an eligible administrator, his/her beneficiary shall receive the severance pay due the deceased. Such beneficiary shall be the same person designated on the Griffith Public Schools life insurance policy. When no designation has been made, payment will be paid on June 30 of the budget year subsequent to the demise of the eligible employee.
- C. If eligible, the administrator will receive additional salary from the Board of up to two thousand dollars (\$2,000.00) in contemplation of the administrator's retirement. The source of this salary must come from the administrator's severance pay. It will be deducted from the total severance benefit. The money will be available to the administrator no later than one pay period after their final paycheck. For retirement benefit purposes, this benefit will be applied toward the average annual compensation for the five years of service in which the administrator's annual compensation was the highest. The balance of severance pay shall be paid to the designated post- separation 403(b) account.

### B. Retiree Health Insurance Plan

Employees hired by the school district after July 1, 1998, that are currently employed as Administrators, shall be enrolled in a health plan annuity program. Funds will be deposited in a HRA/VEBA 501(c)(9) or other tax sheltered account as designated by the school corporation.

- c. Within ninety (90) days of the retirement date, the administrator must provide a written notice to the Griffith Public Schools requesting continuing group health and dental coverage for the teacher and spouse, if any.

When a retired administrator first becomes eligible for Medicare, the administrator's eligibility to continue to participate in the Griffith Public Schools' group health and dental insurance plan shall terminate, if not earlier terminated according to applicable law. (A similar termination of eligibility shall also apply when a retired administrator's spouse first becomes eligible for Medicare.) It is acknowledged that the parties intend these provisions to comply with applicable federal and state laws, including if otherwise applicable, I.C. 5-10-8-2.6.
